

# NEWCASTLE FLOOD LIGHT

## INSTALLATION INSTRUCTIONS

Rev. 2 (07/17)

### WARNING

Installation of lights and electrical work may present a possible shock or fire hazard if improperly installed or used. All electrical work should be performed in accordance with all federal, state and local safety regulations and require proper grounding. All work should be performed by a certified electrician. Before starting installation, turn OFF electricity at the main fuse or circuit breaker that controls the power to the fixture/room you are working on.

Congratulations on purchasing your new quality lighting fixture from Cocoweb.com. If you have any questions about these instructions or are missing any parts, please call us at 888-783-0378 or visit our website at [www.cocoweb.com](http://www.cocoweb.com).

### IMPORTANT SAFETY INSTRUCTIONS:

- Do not use with damaged electrical cords.
- Never overload electrical circuits as it may cause electrical shock or fire.
- Do not look directly into the light source.

### CARE INSTRUCTIONS:

**DO NOT** use abrasive or chemical cleaners to clean the light as it may damage the finish. Use only warm water, then wipe dry with a clean soft cloth.

### TROUBLESHOOTING AND REPAIR:

Check for damaged or worn parts before installation. Broken or damaged parts will affect the products operation. Replace or repair damaged or worn parts immediately. Should the light stop working properly and/or one of the following problems occur: (1) The lamp fails to turn on (2) The lamp flickers (3) The lamp dims to an unusual level, check all connections and then turn the lamp back on. If the problem persists, disconnect the lamp and contact Cocoweb customer service.

### COCOWEB LIMITED WARRANTY:

Cocoweb.com warrants its products to be made of first class materials, free from defects of material or workmanship under normal use and to perform the service for which they are intended in a reliable and efficient manner when properly installed, for a period of two years from the date of purchase. During the warranty period, Cocoweb.com will, at its choice, repair or replace any part or parts which prove to be defective if returned to Cocoweb.com. NOTE: Modification of product in any way will void the warranty.

### CAUTION

**Please read this entire manual before installation and use of fixture.**

**IMPORTANT - Observe all local governing codes and ordinances.**

**IMPORTANT - Save these instructions for later use.**

**Danger of suffocation**  
Keep children away from packaging

# NEWCASTLE FLOOD LIGHT

## WALL INSTALLATION INSTRUCTIONS

### WARNING

Installation of lights and electrical work may present a possible shock or fire hazard if improperly installed or used. All electrical work should be performed in accordance with all federal, state and local safety regulations and require proper grounding. All work should be performed by a certified electrician. Before starting installation, turn OFF electricity at the main fuse or circuit breaker that controls the power to the fixture/room you are working on.

### INSTALLATION GUIDE

1. Connect the shade with the stand by screwing it clockwise.
2. Continue on with screwing the rest of the stand together.  
There should be two other pieces to attach minus the base.
3. Place the wire attached to the shade into the stand to hide it and collect the wire through the opening towards the bottom.
4. Place in the light bulb by opening the cage of the shade by the unclasping the clasp on the underside of the shade.
5. Attach the base by locating the smallest end pieces to join the BLANK
6. Connect the plug wire to the lighting wire then plug into the wall.
